PRAYERS

Please continue to pray for the leadership team (Annie, Sheila, Wayne, Colin and Chris) as they work together with the Church to seek God's mind for the way ahead in the future. Remember God's Word to us, as a fellowship;

"Forget the former things, do not dwell on the past. See I am doing a new thing !" Isaiah 43.18/19

For members of our fellowship and people connected to us. Pray for the compassion, peace and the healing of God, for all those in our congregation, and in the wider community, suffering pain, loss and illness or going through adverse times; including:

David Hale's family and friends. Please continue to pray for David's family (daughter Michelle & son Mark) and all his family and friends in coming to terms with his recent passing.

Danny and Rachel; It's good to know that Rachel and Danny are doing well, and we hope to catch up with them in due course..

Sue Dare. Please continue to hold Sue and her family in your prayers following the loss of her husband Fred.

Jill Vaughan's family: Please continue to pray for God's peace and comfort for Jill's family and friends during the New Year.

Charlie and Emma; Continue to pray for Mary as she cares for and supports the health needs of Charlie, now at home, making good recovery from a heart attack and for her daughter Emma.

Angela; Request from Mary asking for prayer for recovery of Angela following a recent heart attack.

Andrew; Please continue to pray for Andrew's health and ongoing wellbeing.

Sue Preston Suffering from Sjogrens (body dries out); please continue to pray that the Lord would intervene and bring healing to her body including healing of her foot following a recent operation.

Roger; Please continue to pray for Roger's health and wellbeing and that of his brother and sister in law who have been seriously ill but who are making progress.

Colin and Margaret; Please pray for improvement of health issues being treated / under examination at the present time.

Geoff; Geoff's treatment has been completed but please continue to pray for his ongoing health and wellbeing.

Roy. Would value prayer for his health and something that will help with treatment of the tingling and shaking that he has to cope with.

Jill; Please pray for Chris's friend Jill, who she has been supporting in recent weeks, and who recently had a "pacemaker" fitted. Pray also for Jill's grandson, Riley, who is now in remission from Leukaemia but needs ongoing treatment at Addenbrookes Hospital.

Overseas ministries supported by the Church

Pastor John (Southern India); Ongoing prayer for the effective pastoral care and service in challenging circumstances in southern India. *Please see the News Letter for March 24 recently circulated for praise and prayer points.*

House of Joshua (Phillipines); Pray for the children and adults of the House of Joshua community to be sustained by faith and encouragement through difficult and challenging times.

National and International issues

Please pray for current national and international matters, including the Royal family (particularly for the successful cancer treatments for King Charles and the Princess of Wales), the Government, the economic situation, the serious situations in Europe and the world. Pray that God will over-rule in the conflicts to minimise bloodshed, and suffering. Continue to pray for the many issues at the present time including the Israel/Hamas situation and the Ukraine/Russia conflict etc. including current natural disasters and for those bereaved recently at the Crocus Theatre, in Moscow.
